**Faculty Reviewer:**

1. Trained on the quality assurance rubric adopted for the e-learning courses at Albright and compensated for performing each review.
2. Empowered to provide recommendations regarding the adherence of the e-learning to the quality assurance standards and collaborate with the Instructional Technologist and Instructor by providing guidance where there is conflict or concerns during the peer review process.
3. Committed to engage with faculty governance bodies to continue to monitor the effectiveness of the e-learning courses at Albright by submitting a consolidated report once each academic year about e-learning activities they have reviewed.
4. Retrained every 3 years on quality assurance model or when rubric updates from QM.
